Curator, Bowdoin Museum of Fine Arts

Dear Madam:

May I ask for information as to the extent of the collection of Greek coins in your Museum? I note from the entry in the American Art Manual which has just appeared, that you possess the Edward P. Warren Collection of Greek and Roman Art. Such being the case, it would be remarkable if you did not have some Greek coins. If so, I should greatly appreciate a brief word as to the scope of the Collection.

Very truly yours,

Secretary
